Online Survey

The **Hanover Planning Board** is pleased to announce the initial phase of Public Participation in our development of the Town's new **Master Plan**. We invite you to fill out our **online Master Plan Survey** and read more about the plan and process on the Town Website.

We are asking for your thoughts and feedback on the following key questions:

1. What do you believe are the most important issues Hanover is currently facing?
2. What do you believe are the most important actions the Town should take to address these issues?

We hope that you will encourage others to complete the survey. For those of you who prefer a printed copy of the survey, they can now be printed from the website or picked up at Town Hall, the Public Library, Council on Aging, and DPW. We are happy to provide printed copies upon request.

The Master Plan is a 10-year guidance document prepared by the Hanover Planning Board and staff for use by all Town Boards and Departments. The Master Plan addresses seven (7) major elements in order to coordinate planning for changes and growth over the next ten years:
